

## **EMIDEC 1100 computer.**

### **Software and applications.**

This section awaits the discovery and examination of EMIDEC original technical documents.

As a brief indication of some of the EMIDEC 1100 applications packages that may have been written, the following list of *in-house* software is given in: <http://www.emidec.org.uk/>

CONEMI	Stock control
EMIART	Artist Royalties
EMIPAY	Payroll and personnel
EMIRSA	EMI Records sales
EMIWIP	Electronics work in progress
FASSET	Fixed assets
RECMER	Record Merchandisers
RECSTO	Record Stores
WRC	World Record Club.

These programs were run on one or other of the EMI Computer Services Division's two EMIDEC 1100 computers.
